

Mr. Binod Bihari Behera

Managing Director

Shine Institute of Management and Information Technology Pvt. Ltd.

About the Institution.....

Shine Institute, sand city, Balasore is a premier Institute of Balasore Town which has been imparting computer training since 2004. Keeping in view the needs of self employment of the highly educated as well as the less educated young men and women in the society, this institution is imparting training, both theoretical and practical in Software, Hardware , Networking and Accounting at a very low and affordable cost at a time when technical education has gone out of the reach of the common man. Consequently, Shine Institution has become a coveted institute and much sought after by all and sundry . In course of time this institution has achieved **ISO 9001 : 2000 Certificate**. Its Objective has been to impart quality education through qualified faculty members using latest methods of training . After formation of Company it has been catering to the needs of the students through its 25 branches spread over Orissa , Jharkand and West Bengal.

We have a wide vision of spreading out to far – flung rural areas covering all the Districts of Orissa and other parts of India during the academic session 2008 to carrying Computer Education to the doorsteps of the deprived and unprivileged section of the society.
